Description

ORCA URBAN WATERPROOF BACKPACK GVAH

Conveniently carry everything you need while on the bike, or en route to the starting line on race day. Use this bag with confidence that what's inside will be kept 100% dry.

MATERIALS

PVC - Dimensions: 31cm x 19.5cm x 57cm

TECHNICIAN

Fully taped seams with roll-top construction make this bag waterproof and therefore the perfect choice for any outdoor activity

COMFORT

The padded back with curved shoulder straps and adjustable sternum strap keeps this bag comfortably in place.

STORAGE

Large 22 liter waterproof main compartment now with additional mesh side pocket and waterproof side pocket to store smaller items securely. The helmet compatible shock cord is easy to handle.

ELEGANT

Classic Orca design
