### Description

ORCA FOLDABLE CAP

If you're looking for a revolutionary cap that provides impressive protection and ventilation but also allows you to fold it down and store in your back pocket when it's no longer needed.

### **MATERIALS**

100% Polyester Woven Contrast, 100% Polyester Mesh

### **TECHNICAL**

Super light fabric on the top of the head protects you from sunstroke, while breathable mesh on the sides help with ventilation

### **PRACTICAL**

Eyewear loops hold your sunglasses securely when put on the forehead, while the foldable system allows you to easily stow your cap away in your back pocket when you no longer need it

### **COMFORT**

A wicking jacquard headband keeps sweat from your face for optimum comfort.

### **VISIBILITY**

Reflective logo and trims help you to be seen in low light conditions
