Description

ONRUNNING SHOE CLOUDULTRA WOMEN 000044W

Characteristics

Durable, breathable perforated sandwich mesh upper allows for cooling airflow to keep feet cool and dry
Sock-fit construction creates a precise fit with superior comfort
The Cloudventure-inspired Speedboard supports the natural rolling motion of your feet, from landing to pushing off and taking the next step
Missiongrip™ outsoles feature solid, high-grip rubber fused to Helion super foam, providing traction, durability and cushioning
Helion super foam provides comfort, resilience and bounce on rugged mountain trails
The shoes are wider in the shank area for optimal support
Connected CloudTec® and closed outsole channels allow you to glide over rocky or gravel trails in total comfort
New FlipRelease tool on each shoe lets you relieve pressure from swollen feet on long runs as easily as flipping a switch
